MEMORANDUM FOR: Chief, Support Services Staff

SUBJECT : Proposed Revision to [ ] re Home Leave

25X1

1. As you see from the attached papers, Colonel White has approved the home leave eligibility proposal which was originally made by the Administrative Authorities Committee. Subsequent to his approval and in connection with its work on rewording other regulations responsive to approved Administrative Authorities Committee recommendations, the Office of Personnel suggested that our draft revision [ ] be amended to eliminate the Director of Personnel and to have the certification of the Deputy Director provide final authority. The DD/S agreed with this concept and the Deputy Director of Personnel has undertaken to provide new wording.

25X1

2. It is requested that you make contact with Mr. [ ] in order to obtain the suggested wording for your use in preparing the redrafted regulation for formal coordination. When you are ready to send the papers to the Directorates and other coordinators, please give us an advance copy so that we may first obtain Colonel White's concurrence in response to a caveat in his approval of DD/S 69-1614.

5/7/69 - Note for the Record

Mr. [ ] recommended that we change this request so that DD/S receives a copy after formal coordination and before publication so that we can present it to Col. White. This was agreed. Mr. [ ] will inform Mr. [ ]

John W. Coffey  
Assistant Deputy Director
